Session 14: Lessons Learned

Entering Shared Risk for Community Hospitals Through Physician Engagement
Thibodaux Regional Medical Center
Greg Stock, CEO, Mark Hebert, MD, FACS

1. Physician leadership is essential to success.
2. Physician-to-physician communication
3. 100% commitment from physicians and executive leadership; it’s not a 50% — 50% relationship.
4. Cost is NOT a four-letter word.
5. Data must be easy to access, digest, communicate, and make actionable.

Choose at least one thing that you’ve learned today that you will share or do differently as a result of listening to this presentation. Write this down below and the date to accomplish it.
